Letter re: Notification of Harassment

Colleen McMahon,

I am getting a case together against the Bilderberg Group, Skull and Crossbones, CIA, NSA, FBI, KBR, Turner, Skanska, etc.... My cell phone, computer, and checking and credit card accounts were hacked into; I was put on a segregated feed; and they commit idea theft by using Wi-Fi, Cognitive Computing, Brain Powered Machine Learning, and Ultraparanoid Computing. They gave me death threats, and attempted to make me commit suicide. I was assaulted and wrongfully arrested multiple times. In order to have a fair trial, I need the harassment to end. Please forward this to whomever you think can help end the harassment.
